CALL FOR BIDS FOR SUPPLY, DELIVERY, INSTALLATION, IMPLEMENTATION, CUSTOMIZATION, TRAINING, SUPPORT AND MAINTENANCE OF EXCHANGE TECHNOLOGY PROPOSED SOLUTION

RFP No.: EBID-IT-20-26-01

Metropolitan Stock Exchange of India Limited ("MSE") is a national-level stock exchange in India, recognized by the Securities and Exchange Board of India ("SEBI"). MSE is committed to fostering transparency, integrity and efficiency in the country's capital markets. MSE provides a comprehensive, technology-driven marketplace that facilitates trading across financial instruments including equities, equity derivatives, currency derivatives and debt securities, and is focused on enabling wider participation in India's capital markets.

MSE invites bids from eligible, experienced and qualified bidders for the implementation and support of an Exchange Technology Platform.

The proposed scope includes supply, delivery, installation, implementation, customization, training, support and maintenance of exchange technology proposed solution for MSE. The platform is expected to support key functionalities including, trading, order management, matching engine, index management, master data management, contract generation, market surveillance, reporting, integrations, data migration, testing, go-live support and post-implementation support.

The solution is expected to cover Equity Capital Markets, Equity Derivatives, Currency Derivatives and such additional segments or asset classes as may be required by MSE from time to time. The selected bidder shall be required to provide a scalable, secure, resilient and high-performance platform in accordance with the terms and conditions set out in the Request for Proposal ("RFP").

Interested bidders meeting MSE's eligibility criteria must email the signed NDA, signed eligibility declaration, authorization letter and supporting documents against each eligibility criterion to rpf2026@mse.co.in on or before August 31, 2026. The submission email must also state the names and MAC addresses of two authorized persons who require access to the Technical and Functional Requirement Specification and other restricted RFP documents. After verification of the eligibility submission and signed NDA, MSE shall provide access to the authorized persons using the MAC addresses stated in the email subject to meeting eligibility criteria. This is not an invitation to submit a technical, commercial or RFP response.

For further details, including access to the RFP, eligibility criteria, submission requirements, corrigendum and updates, bidders may visit MSE's website: www.mseindia.com.

Note: This notice is only an invitation to submit proposals and shall not be construed as an offer, promise or binding commitment by MSE. MSE's selection of any bidder and the award of any contract shall remain subject to the satisfaction of requirements as set out in the RFP, including applicable legal and regulatory requirements. The detailed terms and conditions contained in the RFP shall prevail in all respects.
